

MEMBER PROFILE: MICHAEL ANDERSON

Michael was 9 years old when he first saw what he believes was a 59 Corvette. His thought was, I have to have one of these someday.

He bought his first Corvette, a 1958 283 4 speed which he boosted to a new LS6 454. He proceeded to drag race it, but life got in the way and he was forced to sell it.

About 15 years later, he bought a 69 coupe 350 4 speed. Unfortunately, he was never able to get it running so he sold it.

Fast-forward to 1988 when he bought a 1987 C4 coupe. He loved that car so much. He did minor upgrades, re-did the carpet, dashboard, wheels, and paint. When Michael sold it in 2019 the mileage was just over 30k, so this was a play car as most are, as well as their current 2019.

His bucket list was a new Grand Sport. He went to Three-Way and ordered all the specifics (well most of them, they did have a budget). They love this car. Their 1987 went to a happy home and now their 2019 Blue Brute has a home with the Anderson's.

Michael and Tammy met in 2003 and married in 2005. Michael brought Tammy into the Corvette family and she enjoys driving equally as much as he does.

Thank you Tammy for providing the information! We are so glad you and Michael are in the club.
