

Become a Member

Corvettes of Bakersfield welcomes all enthusiastic Corvette owners to become members of our club. As with any organization there are a few basic requirements.

To become a member, applicant must be a registered owner of a corvette. Those wishing to join that do not own a corvette may join as an associated member.

After completing a new member application, either online or by paper form, the applicant must provide a copy of the following to the membership committee:

- Copy of a valid driver's license
- Copy of current vehicle registration
- Copy of current proof of insurance
- Must provide a signed Acknowledgement of receipt of the Club's Bylaws

These items should be brought to the next general meeting for processing. Any delays may cause delays in applicant's acceptance to the club. The applicant may participate in club activities during application process as a guest.

Application will be reviewed by current officers and membership committee. After successful review, applicant will be announced as a new member at the next general meeting. Corvettes of Bakersfield is looking forward to your membership and encourage your participation. Submission of dues does not guarantee membership to Club. If application is denied, you will receive a refund.
